

Company/University Profile Information

Organization	Grupo SIMON de Modelamiento y Simulación (SIMON Group of Modelling and Simulation with Dynamic Sysmtems)
Background of Organization	Software development and simulation of complex systems with system dynamics.
Address	Universidad Industrial De Santander Carrera 27 Calle 9 UIS Ciudad Universitaria, Bucaramanga, Colombia
Type of SD Work	Software development for system dynamics simulation analysis and simulation of complex dynamic systems.
Typical career path	Systems Engineering and Computer Science.
Business Contact Person	Msc. Hugo Hernando Andrade Sosa E-mail: simon@uis.edu.co
URL to host organization	http://www.uis.edu.co
