

Open House 2003

| | |
|------------------------|---|
| Type of meeting | peer presentation/ scientific |
| Participants | ED SIG members and partners |
| Chair | Anastássios Perdicoulis, ED SIG leader/ representative |
| Place | Promenade Suite, Roosevelt Hotel, New York City, NY |
| Time | 18:00-19:00, July 23, 2003 |
| Host | 21 st International System Dynamics Conference |

Objective Present the Group to all interested members of the SDS

Attendance Approximately thirty people (peak), including members of the Group.

Activity The “house” to visit was the website of the Group, presented by A. Perdicoulis. Attendees asked questions, made remarks, and gave suggestions. Issues brought up by the attendees included:

- *simplicity*, mainly in the website
- *accessible pace* for the Group’s activities

Conclusion The suggestions of the attendees were taken into consideration by the Group’s leadership, and implemented in the first opportunity thereafter.
